New 'FOIL-PAC' A hit!

Here's why dealers everywhere prefer this new Woodruff package:

MORE SALES — because there's real sales appeal, fast-action purchases, easy recognition.

MORE PROFIT — because there is less time loss, less seed loss, better prices per unit sale.

NEW CUSTOMERS — because the packages stack easily, read clearly, create confidence, promote action.

MORE PROTECTION — from accidental mixtures and soil borne diseases.

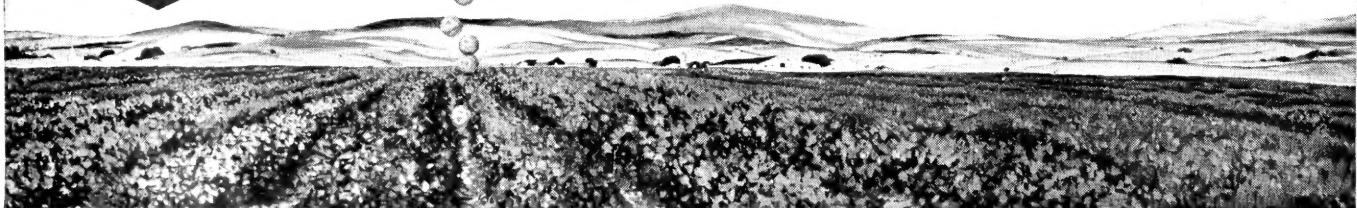

FOIL LINING — protects against moisture, yet provides package breathing to insure seed vigor.
